

Fact Sheet: First Aid

Qualification Number: 500/7706/5 Number of Credits: 2

HABC Level 2 Award in Paediatric First Aid (QCF)

This accredited qualification is ideal for those who wish to become a Paediatric First Aider in the workplace with a responsibility for the welfare of infants and children. The qualification maintains good practice in the safe, prompt and effective treatment of injuries and ill health of infants and children who are under the care of trained personnel. Subjects covered include the role of the paediatric first aider, assessment and procedures for emergency situations, procedures for infant and child first aid including shock, wounds and bleeding, and breathing difficulties.

How long will it take me to achieve this qualification?

This qualification is usually achieved by taking a 2 day course.

How is the qualification assessed?

The qualification is assessed via practical demonstration and oral questioning throughout the course along with a 15-question multiple-choice examination at the end.

What next?

Individuals achieving this qualification may wish to take the following qualifications:

- HABC Level 3 Award in First Aid at work (QCF)
- HABC Level 2 Award Emergency First Aid at Work (QCF)
- HABC Level 2 Award in Cardiopulmonary Resuscitation and Automated External Defibrillation (QCF)
- HABC Level 2 Award in Employment Responsibilities and Rights in Health, Social Care or Children and Young People's Settings (QCF)

Where can this course be taken?

Through any HABC approved training centre.

Approved HABC Training Center No. 12195
